### **COLLEGE PROFESSOR HONORED FOR TEACHING EXCELLENCE**

(Overland Park, KS) – Dr. Satinder K. Dhiman, Professor of Management and Director, MBA Program at Woodbury University is the recipient of the prestigious International Teaching Excellence Award from the Association of Collegiate Business Schools and Programs (ACBSP). Dr. Dhiman was chosen as the International Teaching Excellence Award recipient from the eight regional winners. Dr. Dhiman was honored at the ACBSP 2004 Annual Conference in Phoenix, Arizona on June 27, 2004. As regional winner for the Region 7 - Western U.S. Region, Dr. Dhiman was selected from among all ACBSP member institutions throughout Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, Oregon, Utah, Washington, and Wyoming. As International winner his selection represents the highest honor given by ACBSP for teaching excellence. ACBSP is an international specialized accrediting body responsible for accrediting business programs.

“The top baccalaureate/graduate degree professor in each region is selected for outstanding leadership, teaching skills, and service in business education,” explains Ms. Shirley A. Kleiner, who serves as Co-Chair of the International Teaching Excellence Award Committee. The committee looks at five criteria in evaluating teachers for the award—quality of classroom teaching and learning, institutional versatility, curriculum development, professional development, and community commitment.
